The Founder & Team

About Kothari Auditors and Accountants

Kothari Auditors and Accountants (KAA) - a professionally managed accounting, auditing, management and financial consulting firm, was established in October 1992.

KAA now operates from the centrally located offices in Dubai and in Sharjah with branch office in Sharjah Airport International Freezone (SAIF Zone).

KAA is licensed by Department of Economic Developments of Sharjah & Dubai to provide audit & related services.

The firm excels in offering accounting, audit services that includes statutory, internal, management audit and a host of financial consultancy services as well as tax advisory and compliance. It offers professional guidance that leverages formalities needed to set up business in the industrial, trade or services sector either offshore, local or in any of the free zones in the UAE.

The fact that the firm is en-listed on the panel of approved auditors of most local and international banks as well as free zones authorities in the UAE has made Kothari Auditors and Accountants a distinguished audit firm in the UAE.

Affiliated to the Prestigious IAPA

Kothari Auditors and Accountants is a member firm of IAPA (International Association of Practicing Accountants) since 2002.

IAPA, established in 1979 with its headquarters in the United Kingdom is amongst the top 20 associations worldwide with emphasis on “providing quality service” and adhering to highest standards of “ethical professional practice”.

Regional and International Boards regulate the activities of IAPA with day-to-day administration by a central team based in the United Kingdom.

Kothari Auditors and Accountants thus offer global reach in terms of resources as well as markets through IAPA members and are capable of delivering world-class services in terms of accepted international practices and standards.

With our vast experience, GBS services are not limited to registration and incorporation of companies. We also provide all the support subsequent to the business set-up essential for the smooth operation and maintenance of these companies.

Attractive Jurisdictions & Zones

GBS provide services for most of the offshore & major onshore jurisdictions worldwide. Companies in such jurisdictions are preferred to maintain anonymity and privacy, business confidentiality, limited liability, inheritance planning & above all tax planning.

We understand the importance of incorporating such structure. The investor must have asset protection, ease of inheritance, limited liability, minimize tax impact and ensure confidentiality while setting up such entities. Considering these factors, we have given due importance to jurisdictions & zones which are safe, secure, uncomplicated and provide maximum benefits to clients.

GBS helps in identifying the right jurisdiction best suited for your requirements as a first step and then develop & implement solutions specific to the business from an international trade and investment perspective.

A tall, slender skyscraper with a tiered design, featuring a mix of blue and white glass facades. It stands prominently against a clear blue sky with some light clouds. At the base, a cityscape is visible, including a large fountain with multiple water jets and various urban buildings.
